www.linkedin.com/in/vivek-b-a08953188/

Market research professional with 3+ years of experience across the FMCG and Banking sectors, including over 2 years of experience in insights functions. Experienced in shopper analytics, brand tracking, survey design and analysis, and category insights using syndicated research tools. Skilled at translating data into actionable business recommendations.

EXPERIENCE

Client Analyst - Beverages

Numerator, Remote | Jun 2025 – Present

- Deliver actionable shopper insights using household panel data for beverage clients across the UK market.
- Support the UK client service group on projects involving the development of brands and category trackers.
- Leverage household panel data to run analysis and produce reports as per client specifications.
- Ensure accurate and timely delivery of agreed templates while consistently meeting tight deadlines.
- Manage end-to-end project delivery both independently and collaboratively within the beverages team.

Research Associate - Beauty, Personal and Household Care

Innova Market Insights, Remote | Oct 2024 – May 2025

- Tracked new product launches across personal, home and beauty care categories to identify emerging trends.
- Identified trends related to ingredients, packaging, products, consumer behavior and categories.
- Translated research insights into presentation decks to support multi-market research studies.
- Analyzed and interpreted survey results and secondary research to identify patterns in category overview reports.
- Conducted data-driven analysis using the Innova database to extract valuable industry insights.

Relationship Manager - Emerging Enterprises Group

HDFC Bank, Mumbai | Aug 2023 – Sep 2024

- Supported business loan enhancement and new business development cases totaling Rs 1.27 Cr.
- Managed an existing client portfolio by ensuring timely loan renewals and mitigating risks.
- Conducted financial and portfolio analysis to assess clients' working capital requirements.
- Collaborated with credit, operations and legal teams for loan sanctioning and disbursement.
- Collaborated with 4 banking branches to optimize lead conversions and efficiently resolve customer complaints.

Intern - Personal Care

Kantar, Mumbai | Mar 2023 – Jun 2023

- Worked on brand tracking studies, ad testing/campaign effectiveness and questionnaire design.
- Analyzed brand saliency and consumer behavior within the personal care category.
- Provided insights on key performance indicators for Unilever brands and competitors.
- Evaluated Unilever advertisements to identify scenes that maximized consumer engagement.
- Transformed open-ended responses from respondents into meaningful, actionable data.

Intern - Banking Operations

ICICI Home Finance, Mumbai | May 2022 – Jun 2022

- Recommended a 35% reduction in the turnaround time for the insurance issuance process.
- Analyzed historical data and conducted a pilot run to minimize rework and optimize efficiency.
- Studied the home loan disbursement and insurance issuance workflow to identify process bottlenecks.
- Utilized quantitative research to enhance operational processes.
